

January 21, 2015

In the past month, I have received no request either by mail, email, or phone. Because of a previous commitment, I was unable to attend the Amboy Historical Society's meeting in January. I do plan on attending their meetings in the future.

I have submitted to Supervisor Leemann the 2015 Dues Notice and Membership Application for the Association of Public Historians of New York State for the Board's approval.

I would also like to attend (upon Board approval) the 2015 APHNYS Conference on April 9 thru April 12 in Corning, New York. These two request costs, I believe, will come out of my budget.

With Supervisor Leemann's approval, I would like to continue as the Town of Amboy Historian for 2015.

Respectfully Submitted,

Tim Kelley
